

## Workshop Papers Submission **October 9, 2020.**

### WORKSHOP PUBLICATION

We are in the process of negotiation with Springer to publish all accepted works (full and short papers) in a Springer volume as last year. This year accepted works will be published in a Springer [LNBE](#) volume. Submitted papers must be formatted in accordance to the information for Springer authors. More info [here](#) and [here](#).

At least one author of each accepted submission must register and present the work during the corresponding session.

The following types of submissions are accepted:

- Full research papers with a maximum length of 12 pages, including references and appendices.
- Short papers and position papers with a maximum length of 6 pages, including references and appendices.
- Abstracts with a maximum length of 300 words.

To send articles, please note that LNBE follows the Reference Style Basic, Citation Style NameYear and Numbering Style ContentOnly. You can send your contributions through the following URL: <https://easychair.org/conferences/?conf=iwog2020>

Authors should consult Springer's [authors' guidelines](#).
